PICKING YOUR CHILD UP ON THE KS2 YARD

Please can parents not block the gate entrance to the KS2 yard and the new ramp. Please appreciate that this can be dangerous, especially when there is congestion and parents and children have to walk on the road because the path is blocked. Parents are welcomed onto the yard and to alleviate the congestion we have opened the wooden gate onto the yard from the nursery entrance. Please feel free to access the yard at home time from this gate too. We would also like to remind parents to use the free parking facilities at Winlaton Rugby club when picking children up and dropping them off. We have had a number of complaints from the bus company and again for everyone's safety please do not park outside the school.
